VIPER™ FREC Level 3 Refresher Course

Course Overview

The three-day VIPER™ FREC 3 Refresher Course provides the emergency responder with an enhanced level of medical capability to deal with a casualty in a trauma or a medical emergency. The course focuses on the provision of effective trauma management in all environments particularly in a hostile or tactical environment. Training is ideal for those working in VIP protection, close protection, private security and specialist agencies (e.g. Diplomatic Protection) and provides the Level 3 Certificate in First Response Emergency Care for the Security Industry Authority (SIA) Licence.

Aim

The VIPER™ FREC 3 Refresher Course is a three day course designed for students wishing to renew their FREC 3 Certificate and/ or First Person on Scene (Intermediate) Certificate. Previous certificate must still be in date.

Entry Criteria

Previous attendance on a FREC 3 or First Person on Scene (Intermediate) within the last three years. Previous certificate must still be in date.

Course Content

As with all Prometheus courses, the emphasis is on short lectures, high instructor to student ratios, supervised practical skill sessions, and scenario-based moulages. This course covers all of the competencies required for certification as well as training in tactical medical support and a systematic approach to the management of trauma. The syllabus includes:

- Tactical medical support
- Trauma management
- Novel haemostatic agent workshop
- Airway management
- Adult Basic Life Support & AED
- Disability (Head Injuries)
- Minor illness & injury
- Medical emergencies
- Basic medical planning

- Extensive scenario-based practical skills training

Course Dates

- 10-12th September 2019

Cost

- £420.00 inc VAT
