

MIMMS

Major Incident Medical Management and Support

ALSG Registered Provider

Duration: 2 Day

Group bookings available

What is MIMMS?

MIMMS (Major Incident Medical Management and Support) presents the nature and management of a major incident, focusing on how to deliver the medical support needed to multiple casualties.

Please use the contact form on the web page for group booking enquiries.

What does MIMMS cover?

As the only international standard in major incident medical management, the course is taught and the principles practiced throughout the world, being integrated into civilian and military medical practice.

The course objectives cover understanding the organisations structures and roles in managing major incidents and how they work together to be able to prepare for and implement a structured approach when responding to major incidents (Command and Control / Safety / Communication / Assessment / Triage / Treatment / Transport (CSCATTT)). Plus being able to deliver the medical support needed at major incidents, through triage, treatment and transport.

Immersive

We put great emphasis on the "hands-on" aspects of course creating true-to-life medical simulations

Expert

All our instructors are practising medics with the most up-to-date medical knowledge

Award-Winning

Train with award-winning medical equipment, as used by Ambulance Services and Armed Forces globally

Life-like

Experience as close to genuine patient trauma care as possible with SIMBODIES™, our ultra-realistic manikins

Testimonial

"Brilliant teaching, interactive & fun. Great handbook especially radio comms & uniform prep."
